

What is a Family Resource Center?

A community or school-based welcoming hub of support, services, and opportunities for families that:

- Utilizes an approach that is multi-generational, strengths-based, and family-centered
- Reflects and is responsive to community needs and interests
- Provides support at no or low cost for participants
- Builds communities of peer support for families to develop social connections that reduce isolation and stress

What do FRCs do?

- Enhance parenting skills
- Foster the healthy development and well-being of children, youth, and families
- Prevent child abuse and neglect
- Increase school readiness
- Connect families to resources
- Develop parent and community leadership
- Engage males and fathers
- Support healthy marital and couples relationships
- Promote family economic success

What are the goals of a FRC?

- To support families to be strong, healthy, and successful
- To contribute to building a strong and healthy community
- To reduce the likelihood of child abuse and neglect by building the research-based Strengthening Families Protective Factors¹

What services do FRCs most commonly offer?²

- Parenting Support

Allegheny County, PA

28 Family Support Centers

San Francisco, CA

25 Family Resource Centers

Did you know?

- Although there is no dedicated federal funding for Family Resource Centers, there are more than 3,000 of them nationwide in 30 states and the District of Columbia that serve more than 2 million people annually.
- The heritage of Family Resource Centers in the U.S. goes back to the establishment of Settlement Houses in the late 1800s to support new immigrants to succeed.
