

## JOB DESCRIPTION

# Treatment Foster Care Parent

Arrow Child and Family Ministries is seeking foster parents to provide a stable, nurturing home for children that have behavioral or emotional needs. Many of these children come from residential treatment centers, where they receive therapy and counseling to start their healing journey. You can help stop the cycle of these children going from facility to facility by contacting us today!

### The Type of Parent We are Seeking

A successful foster parent in this program is characterized by stable parent(s) with a flexible schedule that can provide structure, support, and love to the children in this program.

### Requirements

- HS Diploma or GED
- Parents, with flexible work schedules, can be married or single
- Families may foster only one or two treatment foster children at a time
- The total number of children in the home is limited to four, with a combination of foster and other children
- Children served are up to age 17
- Up to a 12 month stay in program
- Foster parents must be at least 21 years old
- Must possess a valid Texas Drivers License

### Benefits

- Assigned an Arrow Therapist or Clinical Case Manager with 24 hour support
- Behavior Support Specialist
- Daily Foster Care Reimbursement - \$137.52, or over \$50,000/year tax free
- Program is limited to a 9-12 month time frame
- Virtual Pre-Service training
